Exchange Students Selected Here

George Stancil

Rhea Stripe

Start at the Top

Two young people have been chosen this year by a screening committee to represent Crawford County as exchange students. They are Rhea Stripe, daughter of Supt. and Mrs. Joseph Stripe and George Stancil, son of Mr. and Mrs. Thomas Stancil.

RHEA is a member of the High School Glee Club, Band, Ski Team, Year-Book Staff, Student Council and National Honor Society and she took part in both the Sophomore and Junior plays. Her hobbies are knitting and sewing. She makes many of her own clothes.

GEORGE is a member of the Glee Club, Golf Team, Student Council and Varsity Club. He is High School Band Director, vice-president of the Junior Class and took part in the Junior play. His hobbies are golf, record collecting, water skiing and music. He plays the Clarinet.

It is not yet known which countries the students will be visiting.

All students interested in being chosen as an exchange student wrote essays telling why as part of the contest. They were also chosen on their character qualifications and all-around activities.

Mrs. Don Koch is president of the exchange student council. Mrs. Harold Dykema, secretary. Representatives of all civic groups make up the rest of the group.

Donations are needed and welcomed to carry on the program. Contributions may be given to Robert Bovee.

713 At Camp AuSable This Winter

Camp AuSable had a profitable winter camping period. During the months of January and February there were 713 guests and campers for the winter camps.

These campers came from many parts of Michigan and also three other states, Wisconsin, Indiana, and Illinois. The majority of the people were junior and senior youth but in addition there were parents and group staff members who led out in the activities for the campers.

The program for the different groups included winter sports, such as skiing, tobogganing, and skating. Also there were indoor games and evening camp fires. Trips were made to different points of interest such as Hartwick Pines and Bear Archery. Grayling Winter Sports Park was a favorite for snow activities. Religious programs were also a part of each group's activities. Nature hikes were regular Saturday afternoon events.

GENERAL supervisor and counselor for all the groups was the camp manager, Harold W. Jewkes. Spring and summer activities will begin in April when the teachers of Seventh-day Adventist Intermediate schools in the state will come for a weekend of study, relaxation, and enjoyment.

K-12 Study Committee Holds 1st Meeting

The first official meeting of the Crawford County K-12 Study Committee was held February 25, 1965, at the Grayling High School library.

The meeting was conducted by Crawford County Superintendent of Schools, Basil Godbold. There were nine of the eighteen-member committee present.

Mr. Godbold distributed a folder of material on the K-12 issue to each attending member. Included was a copy of the K-12 bill known as Senate Bill No. 1080. Mr. Godbold suggested that we study the material and discuss it further at the next meeting.

Mrs. Bernard Fowler was drafted as acting secretary for the committee.

THE NEXT committee meeting was set for March 25, 1965, at the Alumni Room in the Grayling High School gym at 8:00 p.m.

Coffee and donuts were furnished for the committee's pleasure by the Grayling School.

Mrs. Bernard Fowler, Sec'y.

Census Bureau Tells County's '63 Retail Trade

Crawford County's 92 retail establishments had \$8.4 million in sales in 1963, an increase of 31 percent from 1958. The U.S. Bureau of the census has just reported after tabulating data gathered from all firms in the 1963 census of business. The last previous business census conducted by the Census Bureau, an Agency of the U.S. Department of Commerce, was in 1958.

Retail trade in the county meant jobs (exclusive of proprietors) for 304 men and women and a yearly payroll of \$791 thousand.

In volume of business the county's food stores had sales of \$2.0 million, an increase of 55 percent from 1958. In other retail business -- the county's eating and drinking places had sales of \$810 thousand, and gasoline service stations had sales of \$1.8 million.

For the state as a whole, the Census Bureau reported 69,758 retail establishments with sales of \$10855.3 million, up 22 percent from 1958.

Census reports to be issued next few months will give state and county figures on wholesale and service trades, manufacturing and mineral industries.

Figures on number of establishments and sales volume for major types of retail establishments in each county are provided in the printed report: 1963 Census of Business, Retail Trade, Michigan, available at 80 cents from Superintendent of Documents, Washington, D. C. 20402 and at U. S. Department of Commerce Field Offices.

Second Man Files For City Justice Post

George Bielski Sr., former City of Grayling Police Chief, threw his hat in the ring for the post of Justice of the Peace in the City of Grayling to be decided at the Spring Election on April 5th.

The post is presently held by Don K. Gothro who was named by the City Council to fill out the term when Olin Williamson resigned upon leaving Grayling for the winter.

Mr. Gothro is expected to soon file his nominating petitions which are being circulated. Clerk Harold S. Cliff on Monday.

In the meantime, four Grayling citizens are seeking two City Council seats which will be up for election at the spring election. Present Councilman Grover Cason and Alfred Sorenson are both seeking re-election to their posts. Also petitions are being circulated for Earl Broadbent and Robert Stephan who will also be running for the Council seats.

St. Francis' Hosts World Day Of Prayer

St. Francis' Episcopal Church was almost filled Friday, March 5, when women of local churches united for a World Day of Prayer Service. Mrs. Charles McMahon and Mrs. Harris Jesperson, wives of the ministers of the Episcopal and St. John Lutheran churches, were co-chairmen for the event.

Leaders for the service were: Mrs. Wilhelm Rae, St. John Lutheran, Mrs. Bruce Stearns, Michelson Memorial, Mrs. Charles McMahon, Mrs. Charles Kroll and Mrs. Don Koch, St. Francis Episcopal and Mrs. Earl Mathewson, Reformed Church of Latter Day Saints. Also taking part from St. Johns were Mrs. Harris Jesperson, organist, and Mrs. Don Jansen, Mrs. Don Sorenson, Mrs. Robert Sorenson and Mrs. Floyd SanCartier, responsible readers. Ushers were Mrs. Robert Springs and Mrs. Doris Ide, Free Methodist, and Mrs. Leo Morency and Mrs. Eli Beery, St. Francis'. Mrs. Bernard Fowler's "He's Got The Whole World In His Hands," was beautifully done. She sang, unaccompanied, from the balcony.

A social hour followed the service at which the women of St. Francis' served coffee. The table was set with purple iris and

Grayling Skiers Win All State Spot, Mention

A committee of High School Ski coaches picked an all-state ski team at a meeting Monday night, March 1st, in Traverse City. The Detroit News Sunday edition carried the six chosen for first team and six for second team and honorable mentions.

Jody Wyman was given a place on the second team for girls, and Mickey Stillwagon and John Cook received honorable mention for the boys.

"JANE EYRE" PLAY CAST SELECTED

Rehearsals for "Jane Eyre" are now underway. The announcement of the cast members for the Sophomore production was made this past week. The play will be presented in the Grayling High School auditorium on Friday and Saturday evening, April 2 and 3, at 8:00 P. M.

Nancy Knibbs has been chosen for the title role of Jane Eyre" is now underway. The announcement of the cast members for the Sophomore production was made this past week. The play will be presented in the Grayling High School auditorium on Friday and Saturday evening, April 2 and 3, at 8:00 P. M.

When the new dates have been set, they will be announced.

LENTE SERVICES THIS WEEK

The cooperative Lenten services which began this week are being held each Wednesday at the Michelson Memorial Church. The club members, their wives and guests enjoyed a fine dinner prepared and served by the ladies of the church.

The club had as their guests, Miss Michigan Winter Sports 1965 and Miss Grayling, Lauri Olson and her court of Cheryl Smock, Karen Mauren, Martel Bobenmoyer and Pam Gibson.

Mrs. Joseph Stripe was the speaker of the evening and told of her trip last year to Costa Rica and showed many slides which were most interesting.

Six members of the Gaylord Kiwanis Club joined with the Grayling club for the meeting, making it an inter-club session.

Gaylord Girl Scouts To Sell Cookies

Girl Scouts from the Gaylord area will be making house-to-house calls here selling Girl Scout cookies in the coming week, as Grayling is in the Big Waters Council along with Gaylord. The girls will be selling the cookies to raise operating funds and to expand their program, buy equipment and improve camp sites. They will be taking orders and delivery will be made after April 9th.

Gayle Feldhauser is the Student Director for the production, and Libby Kipp is the Business Manager. Assisting them are Terri Frinkle, Donna Hoffman, Carol Miller, and Judy Smith.

STAGE MANAGER for the play is Bruce Feldhauser, assisted by Robert Cinciala as the lighting director. Tom Hatfield is in charge of sound effects. Also serving on the stage crew are Mark Jurkovich, Barry Holmes, Mike Roper, and Dave McEvans.

The stage setting will be built and painted by the art classes, under the direction of Mr. Garrett Buff, high school art instructor. Mrs. Jean Compton is in charge of the make-up artists for the production. Class Advisor is Mr. Frank Smith.

Vikings To Meet Glen Lake Indians Wednesday Night In Regionals

The Grayling Vikings, winners of the Class C District 102, are to meet Glen Lake on Wednesday night of this week in the Petoskey Regionals. A victory in this game will move the amazing Grayling team right into the Saturday night championship finals.

In the other bracket, Gaylord will face Mason-Scottville on Tuesday night with the winner of this contest facing the rough Charlevoix

Rayders on Thursday night for the right to move into the championship game.

All five teams in the Regionals have good season marks and all are about the same. Charlevoix's 17 win, 2 loss is best with Gaylord boasting a 16 and 3 and Glen Lake a 16 and 4. Grayling's season mark is 14 and 6 and Scottville has a 13 and 6 record. The Vikings took the long road

through the District here last week and came up with their first District crown since 1957. They stopped in succession the two teams that tied for second place in the Northeastern Class C Conference with impressive scores. They topped it off on Saturday night by soundly whipping Whittemore-Prescott, champions of the Northeastern loop by a resounding 84 to 55 score.

Grayling started off by meeting

Houghton Lake on Tuesday night and stopped the Bobcats 64 to 31. Grayling had a 10 point total before the Bobcats got on the score board and went on to a 17 to 4 first period.

Grayling was never in trouble and Coach Bruce Smith used 14 players with nine hitting the scoring column.

Walt Nielson, Grayling's towering center led the pack with 14 points with Richard Smith adding 11. For the losers Carl Bunn was high man with 13.

Wednesday night saw Whittemore-Prescott win their way into the championship Saturday night game with a 66 to 59 victory over Lincoln-Alcona. An opening period edge of 18 to 12 supplied the winning margin as the two teams from the NEC played the rest of the game about even up.

THURSDAY NIGHT, Grayling met the Roscommon Bucks and again had little trouble in winning 71 to 53. The Vikings moved out to a 13 to 7 first period bulge and held a 32 to 22 intermission lead. Grayling scored 17 and 22 in the final two periods against 12 and 19 for Roscommon.

Terry Smith paced the Viking attack with 15 points with LeRoy Neal also in the double figures with 13. Jim Cousineau's 14 was high for the Bucks with Bryan Willett also in the double figures with 10.

Then came the battle for the District crown on Saturday night and again the Vikings rolled in high gear and ground down the NEC champs, Whittemore-Prescott, 84 to 55.

Moving right out to a 18 to 12 first period lead, the Vikings pored on a 19 to 10 second frame to hold a 37 to 22 intermission bulge. Coming back on the court after their halftime rest, the Vikings didn't slow down a bit as they put together 23 to 17 and 24 to 16 third and fourth quarters.

Fourteen players were on the court, for the green and white with Terry Smith again leading the way in scoring with 23 points. He was ably assisted by Pat Thompson with 16 and Ed Robertson with 15.

FREDERIC TOOK a first period lead of 15 to 13 only to trail at intermission 30 to 35 after Vanderbilt built up a 17 to 10 second period. A 17 to 9 third frame put the contest on ice for Vanderbilt and a fourth frame on 17 to 8 for the northern Class D team just put on the cake for a 64 to 42 third.

Rick Post and Phil Lodge were high for the Eagles with 10 points each and the only Freddie players in double figures. Jim Weaver added 9, Steve Weaver 7 and Chuck Bearss 6. Spreeman with 22 and House with 18 led Vanderbilt to their victory.

In the finals on Saturday night, Gaylord St. Mary's defeated Vanderbilt to win the District crown and trophy.

Grayling Marine In Fleet Training Operation

SILVER LANCE (FH1NC) — amphibious assault role with the III Marine Private First Class Louis E. Jensen, son of Mr. and Mrs. Leonard A. Jensen of Hartwick Pines, Grayling, Michigan, is participating February 23-March 12 in a major fleet training operation called "Silver Lance" off the coast of California while serving with the Seventh Marine Regiment, First Marine Division, Camp Pendleton, California.

The operation, under the direction of the Commander of the First Fleet, is providing extensive training in every facet of Naval and amphibious warfare. Participating units are receiving training in strike, anti-submarine, mine and countermeasures, anti-air and electronic warfare.

"Silver Lance" involves more than 60 ships and 50,000 Navy and Marine Corps personnel.

The Seventh Regiment, one of three infantry regiments within the division, has been assigned an am-

phibious assault role with the III

Marine Expeditionary Corps, a 25,000 man air-ground team.

Michelson Memorial Methodist Church

New officers in the Methodist Men's Club are President, Dewain Hall; Vice-President Charles Fick; Johannes Peterson, Secretary-Treasurer. Board members include Shirley Arnold, Barney Engel, Hurl Deckrow, John L. Martin, U'Hartley Russell, Roy Wedge and the Rev. John Smith.

Mrs. Harvey Roland, church secretary for the past six and a half years, resigned her position effective March 1st.

A Junior Choir has been organized from the 4th, 5th and 6th grade Church School. Eighteen children have been attending at 10 a.m. Saturday mornings. Mrs. Ivan Nethers is choir director and Kitti Funk is the accompanist.

Easter Seals

A dignified and symbolic Easter Seal design will be used in 1965 to help raise funds to support rehabilitation services for the crippled during the annual East Seal campaign which is from March 10th to April 18th in Crawford County.

These Seals have been sent to 1000 homes and we hope you will respond with your donations. We do not have a door to door campaign but hope you will not ignore us. The Seal features the white stylized Lily, official emblem of the Easter Seal Society, against an azzure blue background. A wheel of crutches printed in black surrounds the Lily.

Buy the Seals and use them on your letters and packages. This will remind the public of the need to help the handicapped.

Your local committee consists of Lora Gould, chairman; Marge Haugh, secretary; Norma Hull, treasurer; Johanna Gorman, Ruth Norenberg, Vivian Petersen, Maureen McNamara and Marilyn Longworth.

If at anytime, you know of some one we can help through our society, please feel free to contact anyone on this committee. The number of crippled children and adults increases every year and, in direct ratio, so does the need for more money to give them care and treatment.

It is unthinkable in this enlightened day and age that any crippled person should be deprived of the chance for rehabilitation. Won't you please help?

If you did not receive Seals and would like to contribute, please send your donation to anyone on the above committee or the Grayling State Bank. You may pick up extra Seals at Gould Cleaners if you like.

Lora Gould, Co. chairman

Cooperative Extension Office Is Re-located In Mio

The Oscoda-Crawford Cooperative Extension Service Office has moved from the Court House Building in Mio to the old Mio School building. This move was necessary because of the crowded working conditions in the Court House basement and the lack of additional usable space in the building.

The Cooperative Extension Service Office will be open from 8:30 a.m. until 12:30 p.m. on Monday through Thursday and all day Friday. Dave Olson, Extension Director, will generally be available in the office on Fridays and Mondays of each week.

Come over and inspect the new and improved office facilities in the school building.

SWEET WATER AND SYRUP

Now that the snow is starting to melt and the days will begin to get warmer, many private landowners in northern Michigan will begin to capture nature's sweet water from the maple trees. The

production of maple syrup is one of the oldest farm enterprises in the United States, and although the present day industry does not begin to approach the production of past years it is still an important spring business.

Last year 96,000 gallons of maple syrup were gathered and sold in Michigan. This was the best crop since 1955 and was 85 percent better than the 1963 crop. The total value of all maple syrup was about \$568,000 and this does not take into consideration the sap produced for home consumption. The production of syrup fell far short of the demand and therefore there is an opportunity for expanded tapping in future production annually.

For an average year, one tap hole can produce one quart of finished maple syrup. Most stands of northern hardwoods can support from 50 to 80 tap holes on each acre of forest.

RESIDENTS OF CRAWFORD COUNTY do not have to travel too far to see one of the biggest maple syrup operations in Michigan. At Kingsley, which is located on M-113 southeast of Traverse City, the General Foods Corporation is operating a large central evaporating

Crawford County Avalanche

Thursday, March 11, 1965

plant. The plant purchases raw sap from local producers and manufactures the sap into commercial grade maple syrup. The plant operates 24 hours a day and is generally open to public viewing.

Now that the syrup season is with us, take a ride out to see one of the nearby tapping operations. Within 35 miles of Grayling there are many sugar bushes being tapped this spring.

CARD OF THANKS

I wish to thank Dr. Dosch and the staff of Mercy Hospital for their kindness and excellent care while in the hospital. I sincerely appreciated all the cards, visits and flowers from friends and family.

Her father's '65 Ford rides quieter than her father's Rolls-Royce

Rolls-Royce owners enjoy one of the world's finest hand-crafted luxury cars. Ford owners enjoy the world's finest popular-priced car. Proof?

By test, * Ford's ride even quieter than a Rolls-Royce. And quiet means quality—the '65 Ford XL is remarkably strong, well-designed, solidly built. Prove it with a test drive ... you will find ...

New Quality ■ 100% new body — strongest ever on a Ford. Frame tunes out irritating road vibration ■ New suspension puts a big ultra-

soft coil spring at each wheel ■ Leading acoustical consultants conducted tests in which 1965 Fords (Galaxy, 500 Sedan, XL and LTD Hardtops) with 289 cu. in. V-8 engines and automatic transmissions rode quieter than a new Rolls-Royce. Tests were certified by the U.S. Auto Club.

Attend The Church Of Your Choice

We don't consider it eavesdropping to "hear" our children's prayers. Nor is it too much trouble! In fact, it is part of our responsibility to God.

For Mollie and Ted are His children, too. Parents are partners with—not substitutes for—our Heavenly Father.

It is this sense of partnership that has brought faith and the Church into the life of our family. We are not foolishly depending on our mere adulthood to inspire character in them. We do not command that they do what we say, not what we do. And we never sit at home while they are in Church, as though the truth they have gone to see weren't worth a grownup's effort.

We figure God wants us at the listening post, to monitor their spiritual searchings, to share with them the blessings He has given us all.

Who Are The Delinquents?

Juvenile delinquency is a much discussed subject nowadays. But the real root of the problem is generally soft pedaled.

Where does the blame lie for juvenile delinquency? It would seem that a major share of it can be charged to parents and schools. Both fail to teach and emphasize the importance of courtesy and the observance of the rights of others.

One simple little rule of conduct, if impressed on the children by parents and on students each day by teachers, from the first grade in public schools to graduation in college, would help.

That rule would be: Keep your hands off other people and other people's property.

Such a rule of action instilled into the young mind could save untold misery and heartaches for young and old alike.

Teaching this simple rule of action would be fulfilling an obligation which adults owe the young and would relieve the elders of serious delinquency on their part. And it wouldn't take a new law or more taxes to accomplish results.

mit." Eight years from now, it adds, spending is likely to be in the \$150 billion range.

If such spending can be borne without further inflation and further degradation of the dollar, there must be a compensatory increase in the tax revenues. That demands business expansion on a massive scale, and the creation of taxable assets and income of every kind.

Everyone pays lip service to taxpaying private enterprise. The words must be solidly backed up with deeds.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

March 12, 1942

A snowstorm that started Sunday afternoon grew into such proportions that it eclipsed all former records, according to some of our older inhabitants. Snow fell almost constantly from Sunday noon to Tuesday morning. It continued to pile up until it seemed that we would never be able to dig out from under it. To make things worse there was a strong wind blowing and loose snow drifted into mountainous proportions. Temperatures weren't unduly low but the wind cut the face and one was almost blinded from the swirling snow. All streets in the county were literally buried beneath the snow. Sidewalks were invisible and business fronts had to be dug out before one could enter. State, County and City snow plows were out almost constantly but the storm was so heavy that it was almost impossible to keep ahead of it. Tracks filled up as fast as they were plowed out. And in several instances plows were stalled and had to be dug out before they could proceed. On Michigan avenue there were two lines of travel, with a range of snow on each outside and one in between. They were like snow-clad mountains. Snow plows had banked them so high that it was a feat to try and climb over. Gradually channels were cut thru the snow ranges so that people could get from one side of the street to the other. The Dawson store, instead of cutting a channel between the street and store, built a tunnel and it was comical to see people coming thru in crunched positions. Schools that had been closed Monday and Tuesday resumed sessions Wednesday and stores resumed business as usual. A shipment of baby chicks intended for Camp Wa-Wa-Sum arrived at the Postoffice and during the heavy snowstorm were delivered to their destination by means of snowshoes. The tiny things did a lot of loud peeping as they had been at the P. O. for a couple of days. Snowshoes in actual service were seen in Grayling Monday.

Miss Maria Mallinger, daughter of Mrs. George Mallinger of Higgins Lake, was united in marriage to Frank DeWitt at a pretty ceremony that took place at the parsonage of Michelson Memorial church Saturday morning. Rev. H. W. Kuhlmire officiated, and Mr. and Mrs. Joseph Mallinger, brother and sister-in-law of the bride, were the attendants.

Mr. and Mrs. Floyd E. Jenkins of Kalkaska announce the marriage of their niece, Miss Margaret Fletcher, to Wilfred (Bud) Wiseman, of Grayling. The ceremony took place at 8 o'clock Friday evening, February 20th, at the Congregation church parsonage, with Rev. Robert E. Nicholas officiating.

In the first game in the class C District tournament, Grayling really took their opponents to the cleaners. The final score was Grayling 63, Hillman 17. The high point man for Grayling was Ross Thompson with 16 points, and for Hillman it was Gudding, with 6 points. In the class D District tournament finals Fairview put up a terrific fight for the championship. The score at the end of the game was 11 to 18, with Fairview winning the trophy. In

FORGOTTEN ACRES

By David D. Olson
County Extension Director

As you sit and look out the window at the blowing snow, the last thought on your mind is probably tree planting, but this is the time of the year when all private landowners should be doing the planning for spring tree planting.

Traveling through Crawford County on the side roads, one can not help but notice the large areas of unproductive soil. The light sandy soils in many parts of the county are simply not very productive for the ordinary type of farming or agriculture and these areas have become the Forgotten Acres.

Almost every area of private ownership in Crawford County contains some of these unproductive acres. Stop and think about that steep hill on the back end of your property that has little vegetative cover and is beginning to erode; how about that old pasture field that is now idle and not paying its share of your taxes; or you may have a poorly stocked stand of oak or northern hardwood that should be interplanted to become productive; these are some of the areas that need tree planting.

When foresters and county agents talk about tree planting, most people wonder what type of financial return they might expect from a plantation area. It is true that financial returns may be delayed or that your children will benefit from your plantation, but there will definitely be a fair return on the investment. A recent study by the Michigan State University Agricultural Experiment Station on the yields of planted red pine states that the yields will vary from a low of 3.5 percent with an initial establishment cost of \$25. per acre and \$1 per acre annual taxes to a possible 6.9 percent return with \$50 per acre annual taxes and some yields of sawlogs. The important point to remember is that tree planting is a financially sound investment and can be expected to yield a fair return.

THE CRAWFORD County Agricultural Stabilization and Conservation Service office in Gaylord through the cost sharing practices of the ACP program can assist you in tree planting. Technical planting advice is available from the Conservation Department Area Forester, or Dave Olson, County Extension Director in Mid who can assist you in planning. Let's put those Forgotten Acres in Crawford County into a more productive state with a well planned tree planting operation.

Moose Lodge Activities

We are glad to see Wes Seder, Frank Muth, out of the hospital. Burt Bayne has been sick at home for the past week.

Several members went to Ypsilanti to the state bowling tournament this past week-end. Grayling was represented by two complete teams that regularly bowl, plus several that entered the singles and doubles events.

We're glad to see Sec. Alfred Hanson back from his Florida vacation. He has a very nice tan. Our thanks to Jim Post for filling in for Sec. Hanson while he was away.

There was a very nice turnout for the meeting Friday evening. We hope to see some more of it. Remember, you have as much of a voice and vote in the lodge as anyone, as long as your dues are paid. The regular meetings are where your voice is heard, and your vote counts - this is also the only place.

This Friday evening, at 8:00 p.m., the nominating committee meets to make the nominations for the election of officers in April.

Saturday, the Ritual Team goes to Reed City for an enrollment there.

Sunday, March 21st is the Legion breakfast, at 11:00 a.m., and an enrollment in honor of Deputy Supreme Gov. Andy Beck, who will be present for both the breakfast and enrollment. A dinner will be served afterwards.

GRAYLING'S Ritual Team has made application to enter the State Ritual competition again this year. The competition will be held at Muskegon in April. The team again poses a threat to some of the top teams in the state. With a more experienced team, it is expected, that they will come back with a higher score, and state position, than last year.

School Board Minutes

The regular meeting of the board of trustees of Grayling District No. 1 was held in the home-making room on February 8, 1965. Present were Supt. Stripe and trustees Henig, Thompson, Millikin, Smock, Strong and Pres. Joseph, who called the meeting to order at 7:40 p.m. Absent: Bishop.

The minutes of the last regular and one special meeting were approved.

The agenda showed a true balance in the general fund of \$5,330.55 as of January 30, 1965; \$19,790.19 in debt retirement, \$68,000.00 in building and site and \$241.26 in hot lunch funds.

A motion by Smock supported by Millikin approved payment of bills 4859 through 4911 in the amount of \$27,630.59. Motion carried.

The supt. presented a proposed tenure policy, teacher recommendations and salary schedule.

A crossing light at new school, lunches for students on bus trips and the retirement policy adopted at the August 1964 meeting were brought up. Exterior lighting at the new school will be installed when weather permits. The student absentee policy was modified.

Strong reported on facts pertaining to overpayment of taxes by Arthur Clough. A motion by Henig supported by Thompson approved the refund at such time as the county supervisors and city council act accordingly. Motion carried. A complaint on bussing procedure was discussed and it was agreed the bus schedule would be revamped.

Thompson, Smock and Joseph were requested to attend the NOR-CAP meeting to be held at the Conservation School, Higgins Lake, on February 11th.

Town 'N Country TV was low bidder for the installation of an antenna at the new school.

Henig requested the superintendent to look into thermostat malfunction in gym. Thompson requested he check into the validity of paying \$500 for commercial chaperones for the senior trip and report to the board. He was asked to obtain more information on South Side school.

A retirement policy for the non-teaching staff was mentioned. No action taken.

Athletics were discussed. A motion by Thompson supported by Millikin to present a bill marked in full to the Grayling firemen for use of the gym passed unanimously. Mr. Stripe was requested to find out prevailing rental charges in the area for use of school facilities.

The agenda showed a \$71.60 bank balance in the annexed Beaver Creek School general fund as of January 31, 1965, and outstanding bills of \$843.88 in addition to a balance due the Grayling State Bank of \$1,082.88 on their school bus. The supt. reported he had taken care of the necessary insurance adjustments and would inspect and remove contents from the Beaver Creek School, that can be utilized in the combined district, when the weather permits. He reported the building sits on an acre of land purchased by the district from the Eureka Lumber Company May 16, 1892.

Letters To The Editor

March 7, 1965

Grayling, Michigan

People of Grayling:

Have you ever driven through Gaylord or any other town during the time of tournaments? Well, if you haven't let me tell you what's going on up there. When a town has a good basketball team and especially one that gets out of the District Tournaments - usually the people of the town support them. Every merchant has a sign in his store window saying "GO BLUE DEVILS!" When the team goes on and off the floor the people rise out of their seats and applaud the team.

In last week's action the White Knights rode over the Brown Cubs 27-9 and the Purple Peanut Eaters dropped the Blue Eagles out of a tie for first place by a score of 19-13. The Red Wildcats took over sole possession of fourth place when they clawed the Black Widows 14-7 and the Yellow Panthers edged the Green Hornets 20-17 to move into a tie for sixth place.

Final Standing are:

Purple Peanut Eaters 6-1; White Knights 6-1; Blue Eagles 5-2; Red Wildcats 4-3; Black Widows 3-4; Brown Cubs 2-5; Yellow Panthers 2-5; Green Hornets 0-7.

LETTERS TO THE EDITOR

EDITOR'S NOTE — The following letter is from Crawford County Chamber of Commerce Manager Earl Longworth and his wife, who are aboard a ship cruising the east coast of South America.

January 27, 1965

2:10 p.m. — Grayling

Dear Friends of Grayling:

Well, bear with me now while I make all kinds of mistakes on the Steward's Norwegian typewriter. This is our first day of rain since leaving the States so this will be correspondence day. Just some Tropical Rain I guess. Otherwise our days have been sunshine and fun. Temperatures have ranged from 81 to 90 degrees and even

today is warm. Took advantage of the bad weather this morning and got the ironing done — had washed yesterday in the very modern wash room, complete with automatic washer and dryer — and then all of us went down to the Engine Room for a tour. It was very, very interesting.

Chum and I are quite dark now — he on the black side and I on the golden honey shade. Nice combination, heh? Have a beautiful sunning deck — both sheltered and otherwise. Also a very nice swimming pool. We were very impressed with our ship last year but this one is even nicer, we believe. The cabins are all with double bunks — one on each side of the room — a nice bathroom — and then at the opposite side of the room is a lovely sitting room with two chairs and a table. The design would be contemporary. All the rooms have a different color theme, ours has a bright red rug, with the chairs of a light turquoise and drapes of light and dark turquoise. The lounge, game room, and bar are very, very lovely. Needless to say, the bar is open at least 12 to 18 hours every day. Then the dining room is really a beautiful large room too. Again all of these have contemporary style furniture and are very pretty. The walls of these rooms are light pear wood with the bar of the dark pear wood. Quite unusual.

Ship is 1½ years old.

The ship is 450 feet long and 60 feet wide with a speed of 16 knots per hour. There is a crew of 38 including the officers. All men except for four stewardesses and the radio operator. Yes, the radio operator is female. They are all very, very pleasant. The food is excellent and far exceeds our ship of last year. However, we have put ourselves on a strenuous schedule of exercise and no lunch which is difficult because every lunch is smorgasbord. On this past Monday evening, the 25th, the Captain entertained us with a good old steak fry on the outdoor sun deck — complete with outdoor charcoal grill and picnic table. It was a beautiful evening as we cruised approximately 15 to 20 miles off the shores of the Island of Guadeloupe and the Island of Montserrat, which are French possessions, and are a part of the string of the windward islands which divide the Caribbean Sea and the South Atlantic Ocean.

CRAWFORD COUNTY TREASURER

Crawford County Avalanche
Thursday, March 11, 1965

The deck was decorated with hurricane lanterns and Norwegian motif — complete with china and sterling. We started out with cocktails at six — Daiquiries and rum and root beer. All kinds of goodies on the table, but the main course was steak, ribs, and Norwegian sausages which were very spiced, also baked potatoes, tossed salad, and beautifully done hard rolls. Wine with our dinner — and then a fresh fruit salad for dessert — then coffee and tea. It was a nice evening and lasted till all hours complete with highballs.

I should add that all the cooking and baking, including breads, are done on this ship. The Steward is in charge of the galley, and has as his assistants two boys, one 17 and one 20. They do very, very well.

Left Houston on the eighth at about six o'clock (seven your time). Made stops in Port Arthur and Corpus Christi, Texas, before leaving for Tampico and Madero, Mexico. Very typical and colorful Mexican towns. Then down to Coatzacoalcos, Mexico, which is on the most southern tip of Mexico. The lounge, game room, and bar are very, very lovely. Needless to say, the bar is open at least 12 to 18 hours every day. Then the dining room is really a beautiful large room too. Again all of these have contemporary style furniture and are very pretty. The walls of these rooms are light pear wood with the bar of the dark pear wood. Quite unusual.

Mrs. Fern Eisenhauer

Passes at Manchester

March 4, 1965

Mrs. Fern Marie Eisenhauer, 55

of 343 South Macomb Street, Manchester, passed away at St. Joseph Mercy Hospital on Monday, March 1, 1965, after a long illness.

She was born March 13, 1909 in Hudson, Michigan, daughter of Grover and Edna Hammond. She was married to Charles F. Eisenhauer on October 27, 1929 and went to live in Manchester in 1930.

Surviving are her husband, two sons, Robert of Willis and Dwight at home, a daughter, Mrs. Albert (Katherine) Hoef of Bridgewater, five grand children, three brothers, Vincent Hammond of Philadelphia, Pa., Claude Hammond of Meridiosia, Ill., and Francis Laux of Olympia, Wash. Burial was in Maple Grove Cemetery in Hudson, on March 4th.

Attending the services from here were Mr. and Mrs. Norman Feldhauser, Mr. and Mrs. Earl Eisenhauer, Mrs. Jay Stephan, Mrs. Leo Eisenhauer and son Walter, and Mr. and Mrs. Carl Doroh.

Mr. and Mrs. Carl Doroh, granddaughter Mandy, who spent a week here with them, left Thursday and stayed overnight with their son Marvin and family, then continued on to Ann Arbor where Mrs. Bielski had a check-up at the hospital. From there they went to Detroit and visited Mrs. Bielski's sisters, returning home Sunday and stopping again at Flint for dinner with Marvin and family.

Mr. and Mrs. Norman Feldhauser and Mrs. George Osting of Roscommon spent from Tuesday to Friday in Manchester with their brother, Charles Eisenhauer and attending the funeral in Hudson of his wife Fern Marie, who passed away March 1st. Grace and Tom Feldhauser divided their time between the Bruce Carlson family and their grandparents, the Rudolph Feldhausers.

Bob Dean, Dr. Paul Juntilla, Lyle Billsby, Bill Worden and Glenn Sawyer were in Mid Saturday representing Grayling at the opening of the new Walker Bowling Lanes. Teams from Alpena and West Branch also bowled.

Mr. and Mrs. Richard Hamlin

have purchased the Bugby home at 300 Spruce Street and plan to move in soon. Mrs. Bugby accompanied her daughter Joyce and husband Roy Piper here the first

of the week from Princeton, Ill., and spent a few days concluding the transaction.

Kathy Hempel and friend Bernie

light visited her mother, Edna
